Have a plan in place

- Have a room where a teacher and child can isolate
- Have parents pick child up right away
- Open up windows and doors to increase air movement
- Clean and disinfect

Monitor and plan for absent teachers

- Take the time to hire extra teachers
- Create a plan to cover a class if a teacher is unwell
 - Specific coverage teacher within that room
- Have communication with that teacher regarding their symptoms
- Encourage teachers and children to stay home if they are unwell

COVID-19 Confirmed

- Close off any areas
- Increase air circulation within those areas
- CDC recommends to wait up to 24 hours before cleaning and disinfecting
 - Allow for droplets to settle
- Contact local health unit
- 14 day isolation
